A unique feature of the Pilgrim Sunday

A unique feature of the Pilgrim Sunday School is its "cradle roll." As soon as a child is born to any of the members of the church, its name is placed on the "cradle roll," and each month and on the baby's birthdays, the older scholars send it cards and remembraness.

When the child becomes old enough to attend Sunday school it enters the infant class, and in this way the Pilgrim School is always sure of securing enough children to crowd its rooms. Pitty babies whose names are on the "cradle roll," will be present to-merrow morning and each will receive a gift.

The speakers will be the Reverend Doctor M. Burnham, pastor of the church, and Messrs. Benedict, Eirge, Stevenson, Brinsmade and Superintendent Snow.

Other Sunday schools of the city will observe "Rally Day" to-morrow. At the Markham Memorial Presbyterian Sunday School the Reverend Foctor W. J. McKittrick and Edward Card, superintendent of the St. Louis City Mission, will deliver addresses, a programme will be rendered and a souvenir presented to each scholar attending.

Among other schools which will ob-

deliver addresses, a programme will be rendered and a souvenir presented to each scholar fittending.

Among other schools which will observe the day will be those of the Hammett Place Christian Church, the First German Presbyterian Church, the First German Presbyterian Church, the Reformed Presbyterian Church, Ebenser Evangelical German Church, Bethei English Evangelical Church and Grand Avenue Presbyterian Church and Grand Avenue Presbyterian Church and Grand Avenue Presbyterian Church and Will observe the day and a special programme has been prepared Music is to be furnished by the carol choir and William M. CHRISTIAN ENDEAVOR TOPIC. "An Evening With Japanese Mis-

sions." (Mal. iv, 2, 3.) BY AMOS R. WELLS.

Some glimpses of Christian Endeavor among the natives of Japan will best serve to bring this subject close home to us. There are splendid Endeavor societies in the wonderful orphan asylums carried on at Okayama by Ishii, the George Moeller of Japan. These orphan Endeavorers agreed together to do at least one kind

act a week that should be reported to the society as a mutual stimulus. One, for instance, kept a jinrikisha chair from overturning. Three little girls met i party of besotted drunken women on the street, and ventured modestly to speak to them. "Look at us!" they exclaimed. was sake-drinking made us orphans." The

was sake-drinking made us or phans. The
women were moved to tears, threw away
their liquor and gave the girls twenty
yen as a thank offering.

Most Japanese Endeavor societies have
evangelistic committees. Indeed, it would
not occur to a Japanese Christian that he
was not expected to bear witness to his
ladeement. Perhaps this willingness to express their ligion, together with the artistic tem-erament of the race, has resulted in mak

religion, together with the artistic temperament of the race, has resulted in making Japan, in a literal sense at least, the banner country for Christian Endeavor, for nearly every society in their vigorous Endeavor conventions will carry a banner, charmingly made of native silk embroidered, or of painted matting.

Many noble deeds are recorded of these Japanese Endeavorers. Some Yokohama Endeavorers, for instance, published a temperance paper, distributing the copies in the saloons. During the war between Japan and China the Japanese Endeavorers were most active in caring for the wounded and sick in the hospitals and elsewhere. They also cared for the refugees from China after the Boxer massacres, nearly 200 of these being entertained by the Endeavorers of Kobe. One society holds evangelistic meetings in an orphans.

The Sunday school of the Pligrim Congregational Church, Ewing and Washington avenues, will celebrate the fiftieth anniversary of its organization, to-morrow morning. The regular session of the school will begin at 9:30 o'clock, and the hour for the morning service, beginning at 11 o'clock, will be devoted to the Sunday-school programme.

The celebration is doubly important to Pilgrim Church because out of the Sanday school, organized fifty years ago, has grown the present church, one of the most important of its denomination in this part of the United States.

The Sunday school was organized in 1855 in a frame dwelling-house at the corner of Morgan street and Garrison avenue. It had few scholars for many years. The meeting place of the school has always been very near te the site of its organization, and the present church is only a few blocks distant.

The first superintendent of the school was S. M. Edgell, now dead. He was succeeded by a Mr. Sexton, and the superintendents after him were James E. Kaime, Market and morgan depression of the content of sweet and merchant vessels of the world.

Motherhood is woman's natural destinyactual barrenness is rare - comforting words to childless women.

Many women are denied the happiness of children simply because of some curable derangement of the generative organs.

Among the many triumphs of Lydia E. Pinkham's Vegetable Compound is overcoming cases of supposed barrenness. Thousands of children owe their existence to Lydia E. Pinkham's Vegetable Compound. This great medicine is so well calculated to regulate every function of the generative organs that its efficiency in this respect is vouched for by multitudes of women.

Nine Years Without a Child.

"Dear Mrs. Finkham:—We had been married nine years and never had children, and now we have a little baby girl nineteen months old, the joy of our life. She owes her existence to Lydia E. Pinkham's Vegetable Compound.

"Before taking Lydia E. Pinkham's Vegetable Compound I was a constant sufferer. I had pains in my back and sides, especially before menstruation. I had doctored but received no benefit. Hearing so much about the Vegetable Compound I decided to try it, and after taking six bottles was cured."—Mrs. T. H. Goulbey, 1223 Nevada St.,

Portrait of a Baby Girl Who Owes her Existence to Lydia E. Pinkham's Vegetable Compound "DEAR MRS. PINKHAM: - I Wrote

to you some time ago asking why I could not have a child. I explained that I had displacement of the womb and ovarian trouble, and suffered with backache and headache. You sent me a nice letter in reply giving me full instructions how to treat myself, and in accordance with your directions I took your Vegetable Compound, and followed your kind advice faithfully in every respect, and now I have a little girl, the joy of our home. I never would have had my baby if it had not been for your advice and medicine.

"I cannot praise Lydia E. Pinkham's Vegetable Compound enough for what it has done for me. I hope other childless women will see this letter."—Mrs. John Uber-Lacker, 1111 Broadway, Cleveland, Ohio.

Another Happy Case in Brooklyn. "Dear Mrs. Pinenam: — I wrote to you a year ago telling you of my troubles. I had pains in the ovaries, menses were painful, and I had never borne children.

"You answered my letter and I followed your advice. I was completely cured. Have just given birth to a fir childbirth had a very easy time.

"Lydia E. Pinkham's medicines are a God send to women who want

to be mothers." - Mrs. Schultz, 12 Luzner St., Brooklyn, N. Y. Many women whose letters we print were utterly discouraged, and life lacked all joy to them when they wrote Mrs. Pinkham, Lynn, Mass., without charge of any kind. They received advice which made them strong, useful women again.
